

Hierarchical Summarization Figures

Progressive Build-Up for Presentation

Slide Progression

These figures are designed to be shown sequentially in a presentation:

1. **01_base**: The hierarchical summarization tree (background context)
2. **02_sufficiency**: (A) Sufficiency only
3. **03_merge**: (B) Merge Consistency only
4. **04_idempotence**: (C) Idempotence only
5. **05_full**: All three properties together

Figures

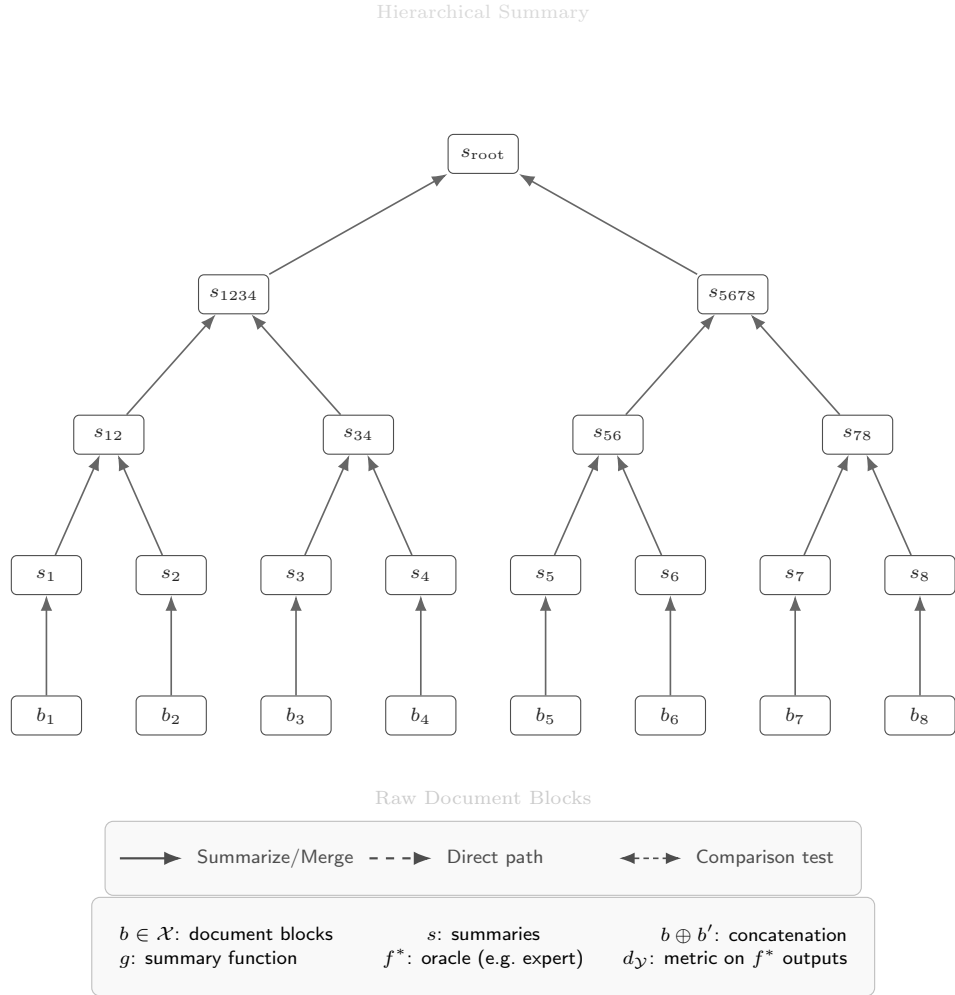

Figure 1: Base: Hierarchical Summarization Tree

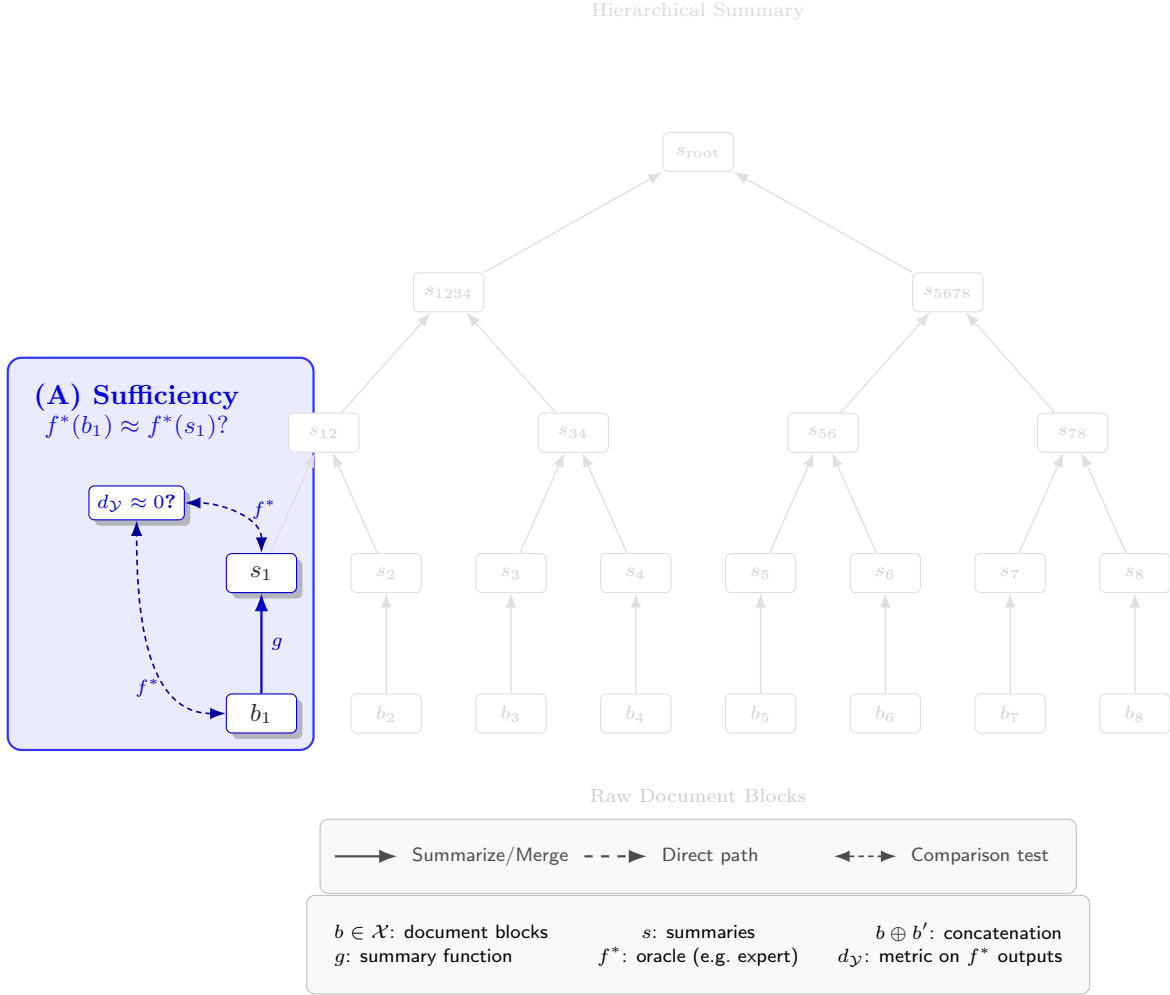

Figure 2: (A) Sufficiency: Does the summary preserve task-relevant information?

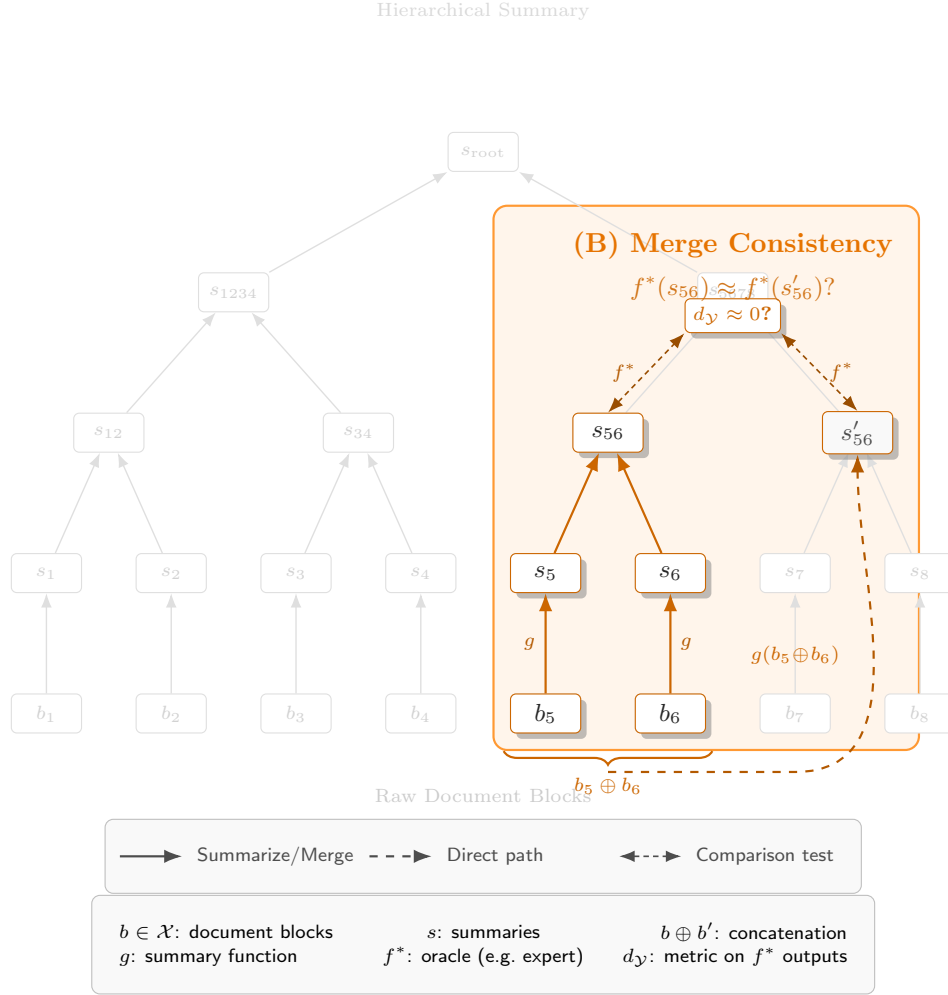

Figure 3: (B) Merge Consistency: Is the merged summary equivalent to direct summarization?

Hierarchical Summary

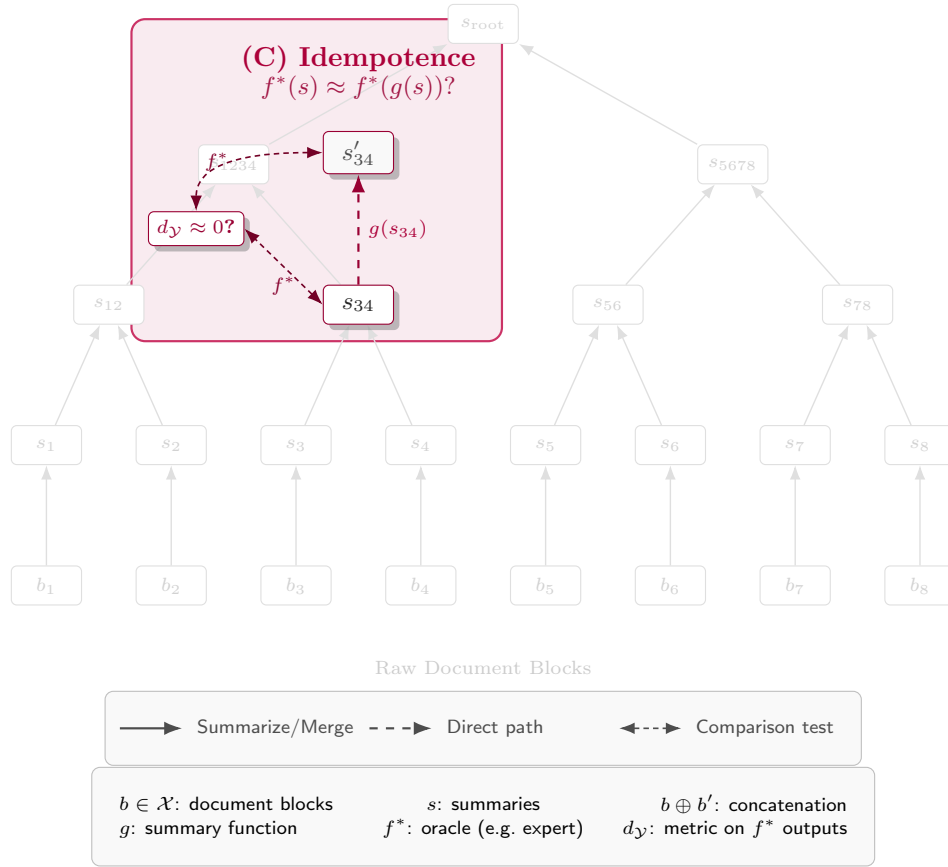

Figure 4: (C) Idempotence: Is re-summarizing a summary stable?
